

NLW National Licensing Week

17 - 21 JUNE 2019

Taking a taxi to work, meeting friends for a drink, betting on the tracks or chancing your luck in the casino, buying a raffle ticket at the local summer fete, choosing a new puppy for your family, going camping or indulging in body art; licensing is a common thread weaving its way through very many every day activities.

DAY 4: NIGHT - TIME

LICENSING IS EVERYWHERE
