

# NLW National Licensing Week

**17 - 21 JUNE 2019**

Taking a taxi to work, meeting friends for a drink, betting on the tracks or chancing your luck in the casino, buying a raffle ticket at the local summer fete, choosing a new puppy for your family, going camping or indulging in body art; licensing is a common thread weaving its way through very many every day activities.

## *DAY 5: BUSINESS & LICENSING*
